### Impressions

This report tells you how many times the title of your release appeared in a feed or Web page we have the ability to track. Please note that the actual number of impressions is significantly larger however we do not currently have the ability to track impressions on all of our partner sites or search engines.

### Total Impressions: 60,366

#### Reads

This report tells you how many people loaded a full version of your news release hosted on PRWeb. Please note that the actual number of reads is significantly larger however we do not currently have the ability to track readership on our partner sites.

#### **Total Reads: 855**

#### Interactions:

This report provides you with an aggregate number of different activities that people performed when visiting your release including printing your release, forwarding it, downloading a PDF version, clicking on a link or interacting with your embedded Web site.

### **Total Interactions: 22**

### **Traffic Sources**

This report provides you with data on where traffic to your release on PRWeb is coming from as well as the keywords people are using to find your release in search engines.

Referrals by Search Keyword
